## VACANCY NOTICE ECA/2022/6

**Director — one post****(AD function group, grade 14)****Audit**

(2022/C 173 A/01)

**WHO WE ARE**

The European Court of Auditors (ECA) was established in 1975 as the European Union's external auditor. One of the EU's seven institutions, it is based in Luxembourg and employs around 900 audit, support and administrative staff of all EU nationalities.

The ECA operates as a collegiate body of 27 Members, one from each EU Member State. Our auditors check that the EU keeps good accounts and correctly applies its financial rules, and that its policies and programmes achieve their intended objectives and deliver value for money.

Through our work, we can make a difference by helping the EU to make a better use of its money. We contribute to improving the EU's financial management and promote accountability and transparency. We warn of risks, provide assurance, indicate shortcomings and successes and offer guidance to EU policymakers and legislators. We present our observations and recommendations to the European Parliament, the Council of the EU, and national governments and parliaments, as well as the public.

We are a modern and dynamic organisation striving for and promoting excellence, professionalism, transparency and integrity. We define ourselves as a diverse, flexible and equitable institution, which offers individuals the opportunity to maximise their talent.

Through our individual and collective involvement in the ECA's activities and our ambitious training programme, our aim is to make the ECA an intellectually stimulating workplace, and a **learning-based organisation** that relies on **institutional knowledge** and **motivated and well-trained people** to serve the EU and its citizens.

We are an EU institution on a human scale: this facilitates integration, allows for easier interaction, and encourages teamwork. We offer flexible working hours and teleworking, including from outside the place of residence. We value diversity and inclusion, promote equal opportunities, and ensure a respectful working environment based on open communication, dialogue, and mutual trust.

Staff engagement, well-being and greening are important pillars of our internal policies.
